

# Imagine Senegal

## PROJECTS IN WEST AFRICA

I have been working with Old Hutton Primary School on a Twinning Project with Joachim Fode N'Diaye Primary School in Joal, Senegal since 2012. In 2017 the second twinning went ahead between Beetham Primary School and Ataba Tabar Primary School in Ziguinchor, Senegal. Arnside Primary School began the third twinning project early in 2018. In 2017 I initiated an Art project between Senegalese and South Lakes artists to result in a shared exhibition in 2019.

I run a fundraising table selling African and local Arts and Crafts in Kendal's Indoor Market on Wednesdays. I hold fundraising Exhibitions of my Art and Photography inspired by my time in Senegal. In 2017 I launched a children's book which I wrote and illustrated.

Claire Griffel

Proceeds go directly to these voluntary projects.
